RESEARCH INFRASTRUCTURE AND DATA

Cristobal Cheyre, Li Jiang, Florian Schaub, Zijun Ding*, Cristiana Firullo*, Yucheng Li*, and Alessandro Acquisti. “The Internet Behavior Experiment (IBE): An Experimental Infrastructure for Ecologically Valid Studies of Online Advertising, Tracking, and Targeting.” NET Institute Working Paper No. 24-10.

Co-designed, co-developed, and deployed a privacy-preserving infrastructure for longitudinal field experiments on online behavior. The platform supports remote randomized interventions in advertising, tracking, and targeting while capturing granular browsing, search, shopping, purchasing, and LLM-use data on participants’ own devices over multi-month studies. It currently supports multiple studies with collaborators across institutions.

Support: Alfred P. Sloan Foundation; National Science Foundation; Cornell Center for Social Sciences; Carnegie Mellon CyLab and Block Center; George Mason Program on Economics and Privacy; University of Pennsylvania CTIC and Warren Center; NYU NET Institute; Pittsburgh Supercomputing Center.

RESEARCH FUNDING

Major grants

Principal Investigator (Cornell) — National Science Foundation Medium Collaborative Research Grant, **\$1.2M**, 2023–2025. “*Understanding the Impact of Privacy Interventions on the Online Publishing Ecosystem*” CMU PI: Alessandro Acquisti; NJIT PI: Yo Chen; Co-PI: Cristian Borcea.

Co-Principal Investigator — Cornell Migrations Initiative / Mellon Foundation Just Futures Initiative, **\$148.7K**, 2022–2024. “*The Sound of Silence: Mapping Immigrants’ Preferences and Use of Public Space*” PI: Maria Goula; Co-PIs: Lee Humphreys, Duarte Santo.

Additional research support

Principal Investigator — Cornell Center for Social Sciences Faculty Fellow, **\$18.5K**, 2025

Co-Principal Investigator — Cornell Center for Data Science for Enterprise & Society, **\$50K**, 2024 · PI: Vashistha; other Co-PIs: Bazarova, Goula, Humphreys, Jung, Kizilcec, Koenecke, Santo, van Schijndel, Wilkens

Principal Investigator — Sloan Foundation RETE Workshop Seed Grant, **\$10K**, 2024 · Co-PI: Carter

Co-Principal Investigator (equal leading role) — George Mason University Program on Economics and Privacy, **\$15K**, 2024 · Co-PI: Acquisti

Co-Principal Investigator (equal leading role) — NYU NET Institute Summer Research Grant, **\$3K**, 2024 · Co-PI: Acquisti

Co-Principal Investigator (equal leading role) — Pittsburgh Supercomputing Center ACCESS Discovery Project, Computing award, 2024 · PI: Acquisti

Principal Investigator — Cornell Center for Social Sciences Seed Grant, **\$7K**, 2024 · Co-PI: Carter

Principal Investigator — NYU NET Institute Summer Research Grant, **\$3K**, 2024 · Co-PI: Lin

Co-Principal Investigator — Cornell University Migrations Task Force Seed Grant, **\$5K**, 2021 · PI: Goula; Co-PI: Humphreys

Principal Investigator — University of Pennsylvania Economics of Digital Services Initiative, **\$10K**, 2020 · Co-PI: Acquisti

Collaborator — Carnegie Mellon University Seed Funding, **\$32K**, 2020 · PI: Acquisti

AWARDS AND HONORS

Management Science Meritorious Service Award, 2025

WISE Best Student Paper Award (as advisor), “Beyond Search: LLM Adoption and Web Traffic Concentration,” 2025

Faculty Fellow, Cornell Center for Social Sciences, 2025–2026

Distinguished Reviewer Award, Academy of Management, 2013

POLICY ENGAGEMENT AND SOCIETAL IMPACT

FTC Workshop on Measuring Injuries & Benefits in the Data-Driven Economy (2026) — panelist.

“Are There Economic Grounds for Regulating Behavioral Ads?” — cited by FTC Chair Lina Khan in her statement on the Social Media and Video Streaming Service Providers Privacy Report (2024); presented at the Next Generation of Antitrust, Data Privacy & Data Protection Scholars Conference (2024).

“Does Privacy Regulation Harm Content Providers?” — presented at FTC PrivacyCon (2019, 2022) and invited to the FTC Bureau of Economics (2022).

“Online Intermediation in Legacy Industries” — invited presentation to the FTC Bureau of Competition (2019).

TEACHING

Cornell University

Networks II: Market Design — upper undergraduate/graduate, ~150 students · Instructor: Spring 2020–2025

Privacy and Security in the Data Economy — upper undergraduate/graduate seminar, ~50 students · Instructor: Fall 2020, 2021, 2022, 2024, 2026

Digital Markets and Online Platforms — Ph.D. seminar, ~5 students · Instructor: Fall 2023

Carnegie Mellon University

Information Systems Project — MISM capstone · Instructor: Spring 2018

Strategy and Management of Technological Innovation — master’s core course, ~50 students · Instructor: Spring 2013, 2014; TA: Spring 2011

Innovation Management in Practice — master’s capstone, ~50 students · Co-Instructor: Fall 2013

Pontificia Universidad Católica de Chile

Research, Innovation, and Entrepreneurship — engineering, ~50 students · Instructor: Spring 2015, Fall 2016

Technology, Policy, and Society — professional master’s, ~20 students · Instructor: Spring 2015

DOCTORAL ADVISING

Ph.D. Advisees — Chair

Completed

Pegah Moradi (Ph.D. 2026), Cornell Information Science — Chair (co-advised with Karen Levy).
First appointment: Postdoctoral Fellow, University of Michigan School of Information.

Anthonia Carter (Ph.D. 2024), Cornell Information Science — Chair. First appointment: Postdoctoral Fellow, University of Maryland School of Information.

Current

Cristiana Firullo, Cornell Information Science — Chair.

Jose Guridi, Cornell Information Science — Chair.

Fengyang Lin, Cornell Information Science — Chair.

Other Doctoral Committees

Completed

Na Liu (Ph.D. 2026), Cornell Economics — Committee Member. First appointment: Assistant Professor of Information Systems and Economics, National University of Singapore.

Logan Warberg (Ph.D. 2023), Carnegie Mellon Engineering and Public Policy — Committee Member. First appointment: TechCongress Fellow.

Current

Riley Grossman, New Jersey Institute of Technology Computer Science — Committee Member.

UNDERGRADUATE AND MASTER'S RESEARCH SUPERVISION

Bradley Lasker — Master of Engineering Computer Science Capstone Project, Fall 2025 and Spring 2026.

Mohammad Khan — Master of Engineering Computer Science Capstone Project, Fall 2025 and Spring 2026.

Galiba Anjum — Master of Engineering Computer Science Capstone Project, Spring 2026.

Chhoeng Chau — Bowers Undergraduate Research Experience (Computer Science), Summer 2025.

Clara Caffrey — Bowers Undergraduate Research Experience (Information Science), Summer 2025.

Brenda Umwali — Undergraduate Independent Study (Information Science), Spring 2024 and Fall 2025.

Marcos Karakousis — Undergraduate Independent Study (Information Science), Spring 2024 and Spring 2025.

John Kowalczyk — Undergraduate Independent Study (Computer Science), Fall 2023 and Spring 2024.

Andrew Liu — Master of Engineering Computer Science Capstone Project, Fall 2023 and Spring 2024.

Nick Nejadnik — Undergraduate Independent Study (Information Science), Spring 2023.

Alexandra Tan — Undergraduate Independent Study (Information Systems), Spring and Fall 2022.

Jeong Hyun Lee — Undergraduate Research Assistant (Information Systems and Economics), Spring 2021.

PRIOR PROFESSIONAL EXPERIENCE

Executive Director, New Engineering for 2030 — Santiago, Chile 2014–2016

As executive director, coordinated a strategic consortium between two leading Chilean engineering schools focused on engineering education, applied research, entrepreneurial ecosystems, organizational transformation, and societal engagement; the plan involved approximately US\$40M in six-year investments and public funding through CORFO.

Researcher, Engineering and Technology Innovation Management — Carnegie Mellon University, Department of Engineering and Public Policy 2013–2014
